

**Advertisement inviting applications for Two (2) Post-Doctoral Fellow positions in
a DST- Nano Mission Funded Research Project**

Last date to apply: **Nov 25, 2015**

Start date of the position: **Jan 1, 2016**

Title of research project: "Ab initio search of new magnetoelectric materials"

Investigator: Arti Kashyap (PI)

Duration: One year with possibility of performance based extension for 2 years or till the expiry of the project.

Fellowship: Rs. 35,000/- p.m. consolidated

Minimum Qualification:

- Ph.D. (either awarded or thesis submitted) in Condensed Matter Physics (theory).
- Proven exposure to Density Functional Theory based electronic structure calculations with atleast two publications in high profile peer-reviewed International Journals.

Desirable : Candidate should be open to explore many other systems of interest in the group and ready to collaborate with PI's collaborations.

Age Limit and relaxation: The upper age limit is 35 years, relaxable upto 5 years for SC/ ST/ OBC / Women/ Physically challenged candidates

How to apply: Interested and eligible candidates are invited to send application comprising of the following documents:

- A cover letter.
- CV with list of publications and two names of references.
- Photocopy of all certificates and testimonials.
- Copy of one best paper published.

The application can be sent on the following address.
