

TECHNISCHE  
UNIVERSITÄT  
WIEN

**POSITION OPENING, December 2015**

## PhD POSITION at Institute of Solid State Physics

### Requirements

Master degree in physics or equivalent qualification

### Essentials

The research will be conducted in the group of Computational Materials Science (<http://www.ifp.tuwien.ac.at/cms/>) on the topic of “Ultrafast Dynamics and Transport in Correlated Systems”. The successful candidate is required to be highly motivated and versatile with exceptional university records and a strong interest in theoretical and computational physics. Previous experience in computational materials science and correlated materials is welcome.

### Availability

The position is available for a period of 3 years with a gross salary of 28.000 Euro per year.

### Deadline for application

No deadline is set for the application but the selection will be closed when the position is filled.

The application should include:

- curriculum vitae
- list of grades of the university courses
- a pdf of the master thesis
- one or two recommendation letters

Vienna University of Technology is committed to increase female employment in leading scientific positions. Qualified female applicants are strongly encouraged to apply and will be given preference when equally qualified.

Please send your application to Marco Battiato at [marco.battiato@ifp.tuwien.ac.at](mailto:marco.battiato@ifp.tuwien.ac.at)
