

Dear Colleagues,

On behalf of the Organizing Committee it is our pleasure to invite you to attend the **2019 IUCr & ECA High Pressure Workshop**, which will be held in Vienna, Austria on 13-17.08.2019.

The purpose of the 2019 High-Pressure Workshop, this year jointly organized by the **International Union of Crystallography (IUCr) Commission on High Pressure** and the **European Crystallographic Association (ECA) Special Interest Group SIG-11** is to bring together researchers applying the tools of extreme-condition crystallography to different disciplines and to stimulate exciting research directions for the future.

We set up attractive scientific and social programs. Come and join us, and discover beautiful Vienna!

See you in Vienna!
